

Voluntary Hospital Indemnity Coverage

Draw on our flexible solutions.

No one likes to think about the possibility of hospitalization, but the likelihood — as well as the stress it can cause for families — is very real. Whether caused by injury or illness, a hospitalization can bring about not only lifestyle challenges, but tangible economic ones as well. And it's not a few Americans who are impacted each year by these occurrences; it's millions.

Major medical insurance plans can offset some of the treatment expenses, but there are "hidden" costs as well: time lost from work, satisfying deductibles, paying co-pays. And don't forget prescribed medications, transportation costs, and continuing to provide for a family. As a safety net against the burdens and expenses a hospitalization can cause, Reliance Standard offers Voluntary Hospital Indemnity (VHI) coverage.

Employers can add VHI at no direct cost if they choose, and employees enjoy the convenience of easy guaranteed issue coverage and convenient payroll deduction. Key plan features include:

- ▶ **All coverage is Guaranteed Issue — no medical underwriting**
- ▶ **No pre-existing conditions or mental/nervous/substance abuse exclusions or limitations**
 - ▶ No deductibles
 - ▶ COBRA-eligible, administration included
 - ▶ Customization available for groups of over 2,000 eligible live
 - ▶ HIPAA compliant
 - ▶ Wellness benefit available

The Benefit

Voluntary Hospital Indemnity (VHI) offers hospital admission and daily room and board benefits to all employers, with the option to add critical care and wellness screening benefit coverage as well. Employers select the plan options they would like to offer their employees.

Eligibility
